1. At the State Meet, starting height for the high jump shall be 3 heights below qualifying height.
2. For Class A, do not count the 4 X 800 Meter Relay as a distance event.
3. If no left hand throwers are entered in the discus event, set up the discus to accommodate the right hand throwers. Do not mandate setting the event for headwind.
4. For selection of starters for the Class A portion of the state meet, contract one from the west and one from the east with a boy/girl switch (starter/recall) each year.
5. For the horizontal jumps, use both pits to allow the long jump and triple jump to stay on schedule.
6. Adjust qualifying standard:
 - Girls' Class A Triple Jump to 34'0"
